APPRENTICESHIP WEEK 6-12 FEBRUARY

National Apprenticeship Week (NAW) 2023 is the 16th annual celebration of apprenticeships.

The week brings together businesses and apprentices across the country to shine a light on the positive impact that apprenticeships make to individuals, businesses and the wider economy.

The theme for National Apprenticeship Week 2023 is 'Skills for Life'. The week will reflect on how apprenticeships can help individuals to develop the skills and knowledge required for a rewarding career and help businesses to develop a talented workforce that is equipped with skills for the future.

APPRENTICESHIP OPPORTUNITIES

Anglian Water are delighted to be able to share with you that the first of 55 Apprenticeships are now live.

Lincolnshire Talent Academy

As employers, we work with students, schools, colleges and universities in addition to other agencies such as the DWP to provide services for individuals from the age of 14 and above, all of which are delivered in partnership though our stakeholders. Our remit includes careers inspiration activities incorporating the engagement of the education sector and delivery of careers guidance and work experience, through to the management of apprenticeship training and support for apprenticeship trailblazer standards development across our stakeholders. How can we help you?

Whether or not you're a student, teacher, current or prospective employee, if you're interested in any of the services delivered by the Academy and would like more information, please don't hesitate to get in touch.

SPEAKERS FOR SCHOOLS

February 2023 Issue 1

Speakers for School are holding an evening webinar for all your parents and carers, to showcase our placements, both virtual and face to face. Our placements are open to 14-19 year olds and cover all industries.

Please could we ask that you send on the attachment to all of your parents and carers with students in this age group.

- The session is also open to educators and students, to find out more.
- All placements are fully funded so there is no cost to the school or student.

The date of the session is the 1st March 6.30pm, and it would be great to get this out so students are supported to apply. We offer placements across holidays as well as in term time.

The attachment is ready to forward, which we hope makes it easier for you, and the registration link is within it and below.
